Darling Frances:-

Hope you will forgive me for writing so late in the day & such a short note, too, but have been taking dictation since 8 o'c this morning, as soon as I came in, the Capt came right after some. So you can see how busy I am.

Am feeling much better to-day, Toots, only my back hurts kind of. Have a little headache, but it will pass.

Will have to close sweetheart, as I'm very busy

Loving ly

Hubby.
